
Exchange Notice

TO: Eris Exchange Participant Firms, Clearing Firms, and Brokers

FROM: Eris Exchange Control Center

NOTICE: #12-M8

DATE: November 15, 2012

SUBJECT: Notification to market participants of change in Eris Exchange Disaster Recovery IP Information

This Notice serves to inform Participants of Eris Exchange, LLC (“Eris Exchange” or “Exchange”) on November 15, 2012, Eris Exchange will be moving the exchange disaster recovery infrastructure to a new data center. As a result of the move, the public IP addresses will change for connectivity to exchange DR sites.

While Eris Exchange always requests that any network filtering occur and the URL level, if you’ve set up any IP filtering, please adjust your routing tables accordingly.

The disaster recovery public IP address for sftp access will be:

206.82.148.110

The disaster recovery public IP address for Eris BlockBox will be:

206.82.148.113

This move affects the Eris Exchange disaster recovery infrastructure exclusively, and will not affect the primary production infrastructure. Other than the changes in addressing mentioned above, no additional configuration changes are needed.

All changes will be completed and tested Thursday evening, and the disaster recovery infrastructure will be operational at market open Friday morning.

For any questions please contact the Eris Control Center, ErisControlCenter@erisfutures.com, 888-587-2699, Option 1.
